Water emergency line		

Be prepared for flooding. Act now

Why prepare a community flood plan?

Having a plan can help:

- Protect people and property
- Provide help for the most vulnerable
- Minimise the damage and distress
- Help you report problems quickly
- Respond before the 'blue lights' arrive
- Working together saves time

Testing your plan

We cannot prevent flooding.

We can:

Prepare for it

Minimise the damage, distress and misery

Take action to protect our homes and
businesses

Work together and help to protect and save
lives
