

with Planned Admission Numbers (PANs) for the normal intake to Year 7. Also advising whether a Supplementary Information Form or letter from a priest, minister or vicar is used to enable a child to be considered under denominational or other criteria. This form would be in addition to the Common Application Form from the Local Authority which must be completed by all applicants.

Please click on each school to view their individual admission arrangements, determined by the Board of Governors for the school. Clicking on Supplementary Information Form or Familiarisation Testing Form (from **1 September 2010**) will access the Form for completion for those parents who wish their application for the 2011-12 intake to be considered under denominational criteria for St Peter's Church of England School or wish their child to take the entrance test for Colyton Grammar School. **In all cases, a Local Authority Common Application Form must be completed.**

Applications for admission to all schools, including those which are their own admission authority must be made to the child's home local authority.

Other schools may change status to Academy. They will be added to this list in due course.
