Caring for our Future

Have your say!

Department of Health Caring for our Future consultation on implementing funding reform for adult social care – facilitated and supported by Skills for Care

Main event objective: To hear about the Government consultation on implementing funding reform and an opportunity to feedback your views.

Key outcomes
1. An opportunity to meet with Department of Health and Skills for Care staff and go through in detail the Caring for our future: implementing funding reform consultation. This will include a PowerPoint presentation and will cover the following:
   - Planning and provision
   - Assessment
   - Charging
   - The cap on eligible care costs
   - Differed payments
   - Improved outcomes for self-funders
   - Eligibility Criteria
2. To feedback in detail and to have facilitated discussions following the presentation.
3. An opportunity to influence the funding reform consultation and have your views represented.
4. Support with completion of the online consultation.

Target audience
Managers within a social care setting; support providers; contract and procurement managers within local authority settings; people who use services and carers, colleagues who have an interest in the funding of social care.

Process
There will be:
- Presentation on the key elements of the funding reform proposals, presented by the colleagues of Department of Health and Skills for Care.
- Facilitated discussion groups to capture feedback.
- Opportunity for one to one discussions.
- An opportunity to fill out the online consultation.
