Non Slip Mat Dycem Round

Dycem is the original non-slip surface, providing immense grip on dry slippery surfaces such as tables, worktops and dinner trays. Tough enough to withstand years of use and easy to wash in warm soapy water.

Dycem mats are ideal:

To hold plates, cups and glasses securely in place while eating and drinking.

To hold mixing bowls and chopping boards firmly in place to make preparing foods easier

Used with jar openers for extra ease and efficiency and enabling one handed jar opening.

Placed on table tops to prevent household objects from slipping while in use (telephones, note pads etc)

- **19cm (7.5") round**
- **Colour may vary**

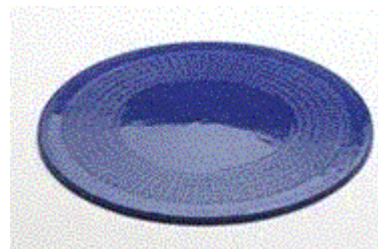

CAUTION - Dycem is slippery when wet.

Price band AA

Bulk order to your department only

Minimum order 10

CES Order Code : HOS 0255

Sept 08

Non Slip Mat Dycem on a Roll

Thin Dycem slip resistant material. Non slip plastic matting that grips items but is not sticky and can be cut to desired size.

Provides immense grip on dry slippery surfaces such as tables, worktops and dinner trays.

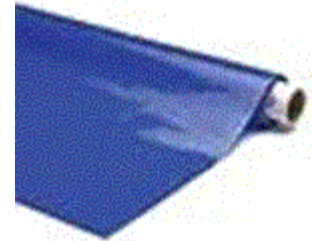

Tough enough to withstand years of use and easy to wash in warm soapy water.

- Overall Length : 200cm (78")
- Width : 20cm (8")

CAUTION - Dycem is slippery when wet.
