

This word search was designed by **Cherie** from **Oaklands Park School**. There wasn't enough room to put it in the DISCplus children's newsletter so we have put it on the DISCplus website instead.

**Can you find these words hidden in the grid?** Some of them are written backwards.

pineapple    orange    banana    pear    lemons  
 melon        grapes    limes     pea     carrot  
 salad        broccoli   mango     peach    kale
