

Why have a **code of conduct?**

We know that most young people behave well on school transport, but occasionally the behaviour of a few can make the journey unpleasant for everyone, and can sometimes endanger others.

We have a code of conduct because we want everyone to stay safe and travel in comfort. To make sure this happens we need all young people to sign up to and abide by this code of conduct.

Please sign the transport application form to agree to this code of conduct.

We cannot provide you with transport until this is done.

Remember - we have the power to ban pupils who don't behave properly

Our code of conduct should give you a clear idea of what is expected of you, and if you follow the guidelines it contains your journey to school will be safe and enjoyable. We all have a responsibility to make sure this is the case.

If you don't keep to the code of conduct your parents or carers will be told and you may not be able to use school transport any more.

If you lose your place on school transport how will you get to school?

How to be a **good passenger**

- Treat the bus driver and your fellow passengers with respect.
- Do as the driver asks.
- Stay in your seat and keep your seat belt on.
- Look after your possessions and the bus.
- Take any litter home with you.
- Keep noise to a reasonable level.
- If you see someone behaving badly or bullying others always report it to the driver or your school.
- Don't distract the driver except in an emergency.
- Don't carry real or replica weapons.
- Don't throw things.
- Don't eat, drink or smoke (smoking is against the law for everyone on buses, taxis and trains).
- Don't use bad language.
- Don't damage the vehicle - if you do your parents or carers will have to pay for the damage.

You and your parents or carers are responsible for making sure that you get to and from the pick up point safely, at least 5 minutes before the bus is due.

If you're late the bus won't wait

If the bus or train is late only wait at the pick up point for **20 minutes**.

Agree a **plan** with your parents or carers about what to do if transport doesn't arrive.

If there is a **storm** or **snow** listen to the local BBC radio station or phone your school before setting out. **Remember** if your parents or carers take you in to school in the morning they must also be prepared to collect you in the afternoon if the weather is still bad.
