Why do I need to apply so early?

We transport around 22,000 students twice a day. We need you to apply early so we can sort everything out in time.

If I apply late will you refund my fares?

No. If you want transport from the beginning of term you must apply by **1 June** – or you may have to pay your own fare for the first few weeks.

When do I need to pay?

You must send your photograph, payment, or evidence of getting benefits or both, by 1 August to get a pass before the beginning of term.

Do I need to pay?

There is an annual contribution for transport. However, you may be able to pay a reduced amount if you or your parents receive a means tested benefit. There are more details on the application form.

I'm staying at the same school or college do I have to apply?

Yes. Every student has to apply every year.

Can I get transport to any college?

No. There are rules about which college you can get transport to, so you need to check. There are details on the application form. If we turn down your request for transport your college may be able to help you.

What if I change my mind about going to college?

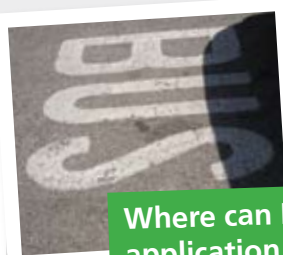

No problem. Just tell us and we will cancel your transport and arrange a refund.

How will I know where to get the bus?

We will send you a letter telling you where and when to get your bus when we send your pass.

Where can I get an application form?

We send forms to year 11 and returning post 16 students in April. If you haven't had a form by the end of May call **0845 155 1019** to get one or visit www.devon.gov.uk/school_transport
