## The Authorities Statement of Decisions and Reasons in respects the of Objections to the Plan's Proposals

*The Devon Structure Joint Committee (10 May 04) and the four Structure Plan Authorities, Dartmoor National Park Authority Planning Committee (2 July), Plymouth Cabinet (13 July 04), Devon County Council Committee (22 July 04), Torbay Council (22 July 04), have now concluded their consideration of the representations made by 105 organisations and individuals in respect of the 'Proposed Modifications' to the Devon Structure Plan.*

*The Authorities have **agreed to adopt the Plan proposals at the end of August 2004**, subject to some minor adjustments to policy wording and the inclusion of some further clarification in the supporting text.*

*All the Authorities have concluded that the objections to the Policies raise no new substantive issues that warrant further action or material change to the Policies in the Plan.*

***Appendix 1** sets out the **consideration of the response**. The Modifications placed on deposit are in column 1, the summary of responses to the proposed modifications are in column 2, and the Structure Plan Authorities recommendations and justification is in column 3.*

***Appendix 2** contains the **Policies and Proposals to be adopted** at the end of August 2004 (having regard to the recommendations in Appendix 1).*

***Appendix 3** sets out the **Committee resolutions** of the Joint Plan Joint Committee and the four Structure Plan Authorities.*

(A revised version of the **Explanatory Memorandum**, incorporating changes set out in Appendix 1 and the adopted policies set out in Appendix 2 will be published later in the year. )
