Subject: provider engagement networks

Dear Manager - provider engagement networks,

My name is Mrs. Elizabeth Feller from Georgian House Residential Home Torquay - Georgian House is registered to take service users from the age of 40 years of age - with functional or organic mental health and physical disability in both adult and older adult categories..

I have thirty years experience in providing residential care.

I would be interested in attending the group - and would be happy to co- chair the group if you thought this was suitable.

I currently sit as independent representative on the Torbay Implementation Group in relation to the improvement of Older People's Mental Health services in Torbay, and am part of the local implementation group for DOL.

I am very interested in improving services in Devon as a whole.

yours sincerely

Elizabeth Feller
