**Subject:** Re: Information about the Provider Engagement Networks

Dear Bernadette,

Mrs. Samantha Avens, Avens Care Homes Ltd. wishes to express an interest for the position of Co Chair for the Southern Locality. Our service area is West Devon.

"I am the owner of two care homes, both of which are high dependency and have some years experience in the field and am a RGN. I am direct in my approach and a good communicator, with a positive can do outlook. I have a first class appreciation of current legislation and a good awareness of possible pitfalls for providers. I am sure I would be very effective in representing my fellow providers to get maximum benefit from the locality meetings and particularly at County level. I believe that providers need to maintain a high profile as we are the people in the thick of things, and subject to increasing legislation and regulation, particularly with the emergence of yet another new regulatory body to oversee our industry."

Please note her interest. Regrettably she will be out of the country for the locality meeting in December and offers her apologies. I will contact the manager at our other home, in case she wishes to attend.

Yours

Jasmin Harries,
