**Subject:** RE: Co - chair Provider Network  
**Auto forwarded by a Rule**

I noticed you were looking for someone to co – chair for this network meetings. I am an Area Manager for Robert Owen Communities with responsibility for Day Services, Residential and supported living services across S. Devon

A major part of my role is to ensure I keep abreast of service/ area developments and changes in practice/legislation.

If I could be of any support to the smooth running of this Provider network meeting my services are available.

Regards

*Stuart*
