

# INCLUDING ALL

*A series of resources produced by Jane Beadman, Devon Educational Psychologist with a specialist role in supporting children with Down syndrome/severe learning difficulties in mainstream schools*

## **INCLUDING ALL**

A 68 page **BOOK** with colour illustrations, full of practical ideas for differentiating work for pupils included in mainstream schools with significant and complex learning difficulties; examples from pre-school/Early Years through Key Stages 1 to 4.

*(£14.99)*

## **INCLUDING ALL - RESOURCES**

A **VIDEO** which shows a speech and language therapist working with three children with Down syndrome in mainstream schools at Key Stage 1, and also shows examples of differentiated work in language, literacy and numeracy at this level. Complements and extends **INCLUDING ALL** book.

*(24 mins £7.50)*

## **INCLUDING CALLUM**

A **VIDEO** featuring a four year old boy who has complex and significant learning and medical difficulties, starting his education in his local pre-school and mainstream primary school; it shows how specialist input is translated into his everyday life of home and school.

*(30 mins £7.50)*
