

PART 9 JOINT ARRANGEMENTS

The Council has made arrangements under section 101 of the Local Government Act 1972, with the local authorities indicated below, for the exercise of the functions shown.

The membership and names of addresses of any joint committee established under these arrangements are set in the Register of Committee Appointments maintained by the Chief Executive.

The Committees are administered by and operate under the Standing Orders of Devon County Council where indicated or by the Council denoted by an asterisk. Where no such notation occurs the Committee operates under separate working arrangements or protocols copies of which may be obtained from the Chief Executive of Devon County Council.

Committee/Function	Other Local Authority	Scope/Terms of Reference
Devon Authorities Waste Reduction & Recycling Committee	East Devon District Council Exeter City Council Mid Devon District Council North Devon District Council Plymouth Council South Hams District Council Teignbridge District Council Torbay Council Torrige District Council West Devon Borough Council	<p>To co-ordinate the establishment of waste minimisation and recycling schemes whether provided by the County Council, the District Councils or Devon Unitary Authorities, or jointly with each other, with commercial concerns or with community/ voluntary groups.</p> <p>To make recommendations to the respective authorities regarding any major change in waste minimisation and recycling policy, methods of funding waste minimisation and recycling schemes and on any new projects proposed.</p> <p>To consider and adopt waste minimisation and recycling targets for Devon as a geographic area.</p> <p>To recognise the role of the Devon Authorities Waste Reduction and Recycling Committee in making recommendations on the future strategy of waste management in Devon, including the collection and disposal of wastes, always having regard to resource implications.</p> <p>To implement and further develop initiatives as requested by the Partnership Committees, other Policy Committees of the member authorities, and joint consultative committees.</p> <p>To consider and adopt funding policies for the Committee's Budget.</p> <p>To share resources wherever possible, having due regard to the opportunities for economies of scale to ensure effective use of resources.</p> <p>To hold discussions with local and national companies to promote waste minimisation and encourage provision of recycling facilities or alter processes or services in order to increase the possibilities of waste minimisation and recycling within their sphere of influence.</p> <p>To improve and expand on existing information and education initiatives to ensure that the community is</p>
