Marie Stone – Finance Manager

Rob Cornock – Business Support Manager

Summer 2009

- Duty to implement 15 hours flexible funding
- To have a diverse mix of provision
- To ensure there is sufficient childcare places
- Improve outcomes for children

DCSF Framework

Minimum of 2 hours per day

Maximum of 10 hours in 1 day

Maximum of 13 hours in 2 days

Full entitlement of 15 hours over 3 days

38 weeks per year

From 8am to 6pm

Maximum of 2 providers

Providers

Implement a flexible model based on local need and demand based on parent consultation

Consider cost implications of additional hours being funded (current rate £3.54 per hour)

Overcome barriers regarding staffing and premises

Planning

- You will all have different models
 - You need a charging policy
- You need a contract with parents

Parents

All are entitled to free early learning & care for 3 & 4 year olds

Will start to have an expectation of flexible

Help with costs – Promote Childcare Vouchers and WFTC

In the past the 2.5 hour sessions has made it difficult for providers to extend

Claiming in hours may enable settings to offer an extra hour

Rented premises continue to be a barrier

Summer Term 2009

Invites sent to providers to participate in 15 hours

Acceptance form to be returned

Grant £500 to assist with planning, publicity etc

Further funding available to support providers in offering the extended, flexible entitlement.
