

School admissions

Three easy steps

1

Research

- read this booklet
- read the individual school information (pages 23 to 77)
- find out what the schools have to offer your child
- visit schools you are interested in, if possible
- know which school is designated for your address
- be aware of the school transport policy (see page 9)

2

Apply

- complete a Devon Common Application Form for children resident in Devon
- apply at www.devon.gov.uk/admissionsonline or on the form in the centre of this booklet
- consider completing a Supplementary Information Form if there is one for the school
- you can express a preference for 1, 2 or 3 schools
- consider naming your designated school as one of your preferences
- provide accurate and complete information
- if you do not apply, the schools you prefer may be filled

3

Apply on time

- the closing date is **15 January 2012**
- you cannot apply online after the closing date
- if you use a paper form, hand it in to the school you most prefer or post it to the Admissions Team
- if your application is late, places at the schools you prefer may already have been filled – no places are held in reserve
- if your application is late you may be responsible for transport to and from a school further away from your home
