

## Community Equipment Retailers List – North Devon

### Factsheet 58d – 04 August 2011 (2 Pages)

Community Equipment (or Simple Aids to Daily Living (SADLs)) such as walking frames, trolleys, perching stools and raised toilet seats help millions of people to remain independent. For these smaller items of equipment we have introduced prescriptions to give people more control and choice over the equipment they use. See factsheet 58a.

You can exchange the prescription at these accredited local shops free of charge but please contact the retailer to find out whether the item(s) are in stock before you visit.
