

GAS BOTTLES AT DEVON COUNTY COUNCIL RECYCLING CENTRES

For Health and Safety reasons, DCC Recycling Centres do not accept non-household gas bottles. Acceptable types (household) are listed below (quantities are restricted to five of each type, within a six month period).

ACCEPTABLE

- **Standard Low Pressure Gas Cylinders**, e.g. gas heater cylinders
- **Small Canisters** (Camping Gas, soda stream or equivalent)
- **Fire Extinguishers**
- **Helium** (party balloon type)

NOT ACCEPTABLE

- **Refrigerant cylinders**
- **Brewery cylinders**
- **Medical cylinders including Oxygen**
- **Diving cylinders**
- **Breathing apparatus**
- **Acetylene/welding cylinders**
- **Industrial high pressure cylinders**
- **Industrial adhesive/froth packs**
- **LPG auto gas tanks**
- **Water purification tanks**
- **Other unmarked cylinders where the content is unknown.**

Cylinders remain the property of the gas company and should be returned to a local dealer, or the company owning the cylinder.

Medical cylinders should be returned to the issuing Medical Centre.

The following four parent companies have responsibility for the majority of cylinders;

Calor Gas (Brooksight Ltd) Tel. 0207 731 1221

BP (Synergy Asset Services Ltd) Tel. 01304 827 277

Flogas Tel: 0845 6015176

BOC Tel. 0800 111333

Cylinder Retrieval South West (CRSW) collect bottles for a charge, tel. 07786 273782

For additional information see the Liquid Petroleum Gas Association website (cylinder retrieval)
