The Way In

For vehicles, the official way in to GMH is through the Main Gates on Bittern Road. Great Moor visitors and staff have right of way through this approach road but are not permitted to park on it as it is not Devon County Property. Those that do park on the approach road may be wheel clamped. There is some on-road parking either side of the Main Gates at the top of the approach road but the Honiton Road Park & Ride is intended for those travelling into Exeter by bus and its use by GMH staff and visitors is not permitted (see Appendix A)

Automatic Barrier (when operational)

When arriving from the direction of the Bittern Road gates drive up close to the barrier and place your Smartcard against the sensor. The barrier will open and you may drive through. A failsafe device prevents the barrier from falling while your car is underneath. Drive through and the barrier will close. Cars approaching from the Park & Ride exit are automatically allowed through the barrier. The barrier is in operational Monday to Friday 8:30 am to 5:30 pm. An intercom link to GMH Main Reception is available should any problems arise.

Car parking

The South Car Park by the Main Entrance is for visitors, conference members and trainees only. A section is reserved for Devon Record Office visitors. Staff numbered parking spaces in the East and West Car Parks are allocated to each service on a proportional basis. It is the responsibility of each service to administer the use of its allocated spaces and report any misuse to GMHFM.

Entry to GMH car parks is through the main gates off Bittern Road. First left is the West Car Park. In front of the Main Entrance is the Visitors' Car Park. Further on and through the road barriers is the East Car Park which includes a secure fenced area and 30 additional spaces accessible through the secure fenced area or the Honiton Road Park & Ride. Exit into Moor Lane is left turn only.

In view of the limited parking at GMH, and to help conserve limited natural resources, it is the responsibility of every member of staff, particularly those organising courses and meetings, to practise and encourage carsharing, the use of public transport and other sustainable forms of travel (see Great Moor House Travel Plan available from GMHFM).

More information on Travelwise can be found at: http://www.devon.gov.uk/travel_awareness

Information on public transport services can be found at: <http://www.traveline.org.uk/>

Car sharing

In line with county policy, and to avoid traffic congestion on the Sowton Industrial Estate, GMH staff are encouraged to use public transport wherever possible. Where this is not possible car sharing is an acceptable alternative. For further details please visit the following website: <http://www.carsharedevon.com>

Bicycle arrangements

Cycle lockers are installed by the north east corner of the building and near the motorcycle area in the Visitors Car Park. Two cycles are available for staff to use for short journeys during working hours. These are maintained by GMHFM and can be booked on 01392 385335 or email: GMHFM@devon.gov.uk
