Work Package Title:	Homelessness JSNA
Overview:	JSNA is an established Health & Social care system for informing distribution of resources. A JSNA for Health & social care services in Devon was completed in 2008. http://www.devon.gov.uk/index/socialcarehealth/have-your-say/haveyoursay.htm
Context:	CIVIS has provided a JSNA for older people's housing support and extra care during 2008. This has provided a firm basis for commissioning plans. However, other areas of Supporting People do not have housing support needs data available in quantified terms. This data is essential for planning contract arrangements and links to clinicians in 2009 and onwards.
