

VOLUNTEER DAY

Ford Wood Laurel 'Bash'

**Sunday 27th
February**

We will be cutting laurel at Ford Wood (the old zoo site) in Bideford. Much of the non-native laurel has already been cut but there is a stand remaining that we would like to cut to allow the native flora to colonize the area.

Please bring a packed lunch and sensible clothing and footwear

Meet at the bottom of Ford Rise which leads to Devonshire Park. Meet at 10.00am GR SS 453257.
