Dear Provider

Swine Flu Vaccination Programme (January 2010 Clinic) – UPDATE

As suppliers of front line Social Care Services you and your staff have been highlighted as a group of staff who ought to be offered the opportunity to receive the Swine Flu Vaccine. This will ensure services are maintained for those who currently receive them or may require your services in the future. In addition, The NHS are experiencing high demand for their critical hospital beds and as such your support to ensure capacity is maintained within the Social Care Community will enable us to support the NHS to discharge patients and freeing up beds that may be required for critically ill people.

The Health Community of Devon have made substantial efforts to enable them operate a number of Vaccination Clinics as previously communicated and I am now in a position to share with you details of further vaccination clinics being arranged.
