

## NVQ in Leadership and Management for Care Services

---

### What is the qualifications about?

It shows that you've got what it takes to deliver best practice in management. Develop your career with the Leadership and Management for Care Services NVQ. You'll prove you have the skills and knowledge to provide top-class services for vulnerable adults, children and young people in care homes and day care centres.

### Who is it for?

You'll be working in a management role in a care home, nursing home or day care centre, or be responsible for planning services, measuring performance and delivering continuous improvement in care services. The Leadership and Management for Care Services NVQ is for any manager one who is committed to delivering high-quality care services.

---

Choose from options relevant to adult care or children's care services. The qualification is vocational and will therefore be undertaken within your place of work. There is additional support available in one-to-one sessions with your Assessor and via e-learning modules which will guide you through this qualification.

This award is open for registrations until 1 March 2011.
