

# ACHIEVING EXCELLENCE

## working towards a shared vision for learning in Devon

Thoughts from \_\_\_\_\_ school

---

Your responses today are important in starting to shape the policy and practice. Please leave this sheet at the end so that thoughts can be collated and shared.

**PROCESS:** in A and B (below and overleaf) you will be asked to note some key issues for you and then some points arising from discussion with a colleague.

---

### SECTION A: principles

A number of first principles have been identified by heads and governors. Please note below which one principle you believe is the most important; and also write down any further principles you believe should be added.
