

## **song4devon competition**

The Devon Music Service is running a competition to find an anthem for Devon. It is open to all but, we are obviously keen to give young people the chance to participate. Prizes of music store vouchers can be won by the finalists plus the opportunity to get their songs recorded in a professional sound studio. The overall winner will become the anthem for Devon.

Further information on the competition can be found on the Devon County Council web site,

<http://www.devon.gov.uk/index/democracycommunities/getinvolved/song4devon.htm> or by emailing the competition email address -

song4devon@devon.gov.uk. Posters and leaflets are on order but, not yet available. However, if you require them once they are ready, please send us an email with the numbers that you need. In the meantime, PDF versions of both are attached.
