

To all Headteachers and Chairs of Governors – **Devon Primary Schools**

September 2010

Dear Colleagues

Our new School Leadership Support Service based within the LDP is now live!

We hope to meet many of you at events and meetings throughout the next term, when you will begin to recognise the wealth of support we can offer on lots of levels.

The new service has been established with the backing and support of DAPH and DAG and the Local Authority with a core remit to:

- Offer confidential professional and personal support and development to all school leaders;
- Promote effective, sustained and efficient performance in all aspects of school leadership;
- Promote enhanced personal well-being leading to increased personal effectiveness and a positive impact on the quality of the school experience for children, staff and governors.

We are pleased to send you our contact details (postcard with this mailing), and trust that if you need help or advice you may approach us with confidence.

Please call us, don't struggle alone, this confidential service was created to meet a recognised need.

As the card says "It's in your hands".

Best Wishes
