DEFINITIVE MAP REVIEW OF PUBLIC RIGHTS OF WAY
PARISH OF LEWTRENCHARD

CONSULTATION SCHEDULE

The Wildlife and Countryside Act 1981 requires the County Council to keep the Definitive Map of public rights of way under continuous review, and to make modifications where it appears that routes should be added, re-graded or deleted. The Definitive Map Review of Public Rights of Way is currently being undertaken in the Parish of Lewtrenchard.

Your views and any relevant evidence are sought on the following suggestions for modifying the Definitive Map for Lewtrenchard:

**Route 1:** Upgrading of Footpath No. 13 to a bridleway between Wooda and Bridleway No. 14
Grid ref: SX 4657 8572 to SX 4601 8552

The Definitive Map is the legal record of public rights of way. There are four categories:
- **Footpath** - a highway over which the public have a right of way on foot only.
- **Bridleway** - a highway over which the public have a right of way on foot, horseback, leading a horse or on a bicycle.
- **Restricted byway** - a highway over which the public have a right of way on foot, on horseback or leading a horse, and for vehicles other than mechanically propelled vehicles.
- **Byway open to all traffic** - a highway over which the public have a right of way with all traffic but which is mainly used as a footpath or bridleway.

Maps showing the existing public rights of way, and suggestions to modify the Definitive Map, are available for inspection at the Okehampton Local Service Office, Brayhams, Okehampton on 01837 52773, and at the Tavistock Local Service Office, Kilworthy Park, Tavistock.

If you have comments or additional evidence for or against the above modification, or further modifications to make by adding or upgrading routes, please contact the following address by Friday 8th September 2006.
