

## **The Book of other People edited by Zadie Smith**

A collection of short stories by some of Britain's best loved contemporary writers.

Nick Hornby and Posy Simmonds present the changing writing life of Jamie Johnson; Hari Kunzru opens his net curtains to reveal the irrepressible Magda Mandela; Jonathan Safran Foer's Grandmother offers cookies to sweeten the tale of her heart scan; and Dave Eggers, George Saunders, David Mitchell, Colm Toibin, A. M. Homes, Chris Ware and many more each have someone to introduce to you, too. With an introduction by Zadie Smith and brand-new stories from over 20 of the best writers of their generation from both sides of the Atlantic, This collection is as dazzling and inventive as its authors, and as vivid and wide-ranging as its characters.
