

List of Voluntary Aided (VA) Primary, Infant and Junior Schools 2011/12

with Planned Admission Numbers (PANs). Some schools ask that a Supplementary Information Form or letter from a priest, minister or vicar is used to enable a child to be considered under denominational criteria. This form would be in addition to the Common Application Form from the Local Authority which must be completed by all applicants.

All children have the right to defer their entry within the Reception year until the start of the term after the fifth birthday: to January or April according to when the fifth birthday falls. Children are admitted on transfer from an Infant school to a Junior school in September only. **It should be noted that the School Admissions Code requires all primary and infant schools to offer admission in the September after a child's fourth birthday.**

Please click on each school to view their individual admission arrangements, determined by the Board of Governors for the school. Clicking on Supplementary Information Form (from 1 November 2010) will access the Form for completion for those parents who wish their application for the 2011/121 intake to be considered under denominational criteria. **In all cases, a Local Authority Common Application Form must be completed.**
