

DEVON COUNTY COUNCIL

DEVON COUNTY WASTE LOCAL PLAN

SCHEDULE OF OMISSION SITES

NOVEMBER 2005

Schedule of Omission Sites

The Schedule of Omission Sites includes those sites in respect of which representations have been made by objectors to the First Deposit and/or Re-Deposit Versions of the Devon County Waste Local Plan to the effect that: (a) an additional site not already proposed in the Plan should be included; (b) alterations to the boundaries of a proposed site are required; or (c) that additional waste management facilities should be identified at a proposed site.

Where a representation made in response to the First Deposit Version has been addressed through amendments in the Re-Deposit (e.g. by the inclusion of additional facilities or changes to the site boundary), it has not been included in this Schedule.

Representations proposing facilities at unspecified sites in a general locality have not been included.

Location maps of these Omission Sites where new sites or boundary changes are enclosed with this Schedule. Location maps are not included for those sites where additional facilities have been suggested by objectors within an existing site boundary and, for these sites, reference should be made to the Inset Plans included within the Re-Deposit Version of the Waste Local Plan.

The inclusion of a site in these Schedules should not be construed as implying that Devon County Council supports the proposals put forward.

Omission Sites

Site Ref. No.	Objection Ref. No.	Plan Version	Site Name	OS Grid reference	Local Plan Ref. (where applicable)	Changes suggested by objector
OM1	2422	Re-Deposit	Broadpath, Uffculme	3069 1139	MD05	Extend the 'Preferred Site' boundary to include additional land to the west and the south/south east
OM2	2007-2009	Re-Deposit	Challonsleigh, Lee Mill, Ivybridge	2596 0551	SH01	Include potential for a Recycling Centre and mixed waste composting
OM3	2131	Re-Deposit	Dawlish Skip Hire Ltd, 25 Dawlish Business Park, Dawlish	2968 0786	TE12	Identify as a "significant existing site with potential for additional waste management facilities", with an increase in the site area and the addition of inert waste recycling, transfer station, MRF and hazardous waste
OM4	2139, 2140, 2142, 2143	Re-Deposit	Greendale Barton, Woodbury Salterton	3019 0897	ED06	Amend the 'Planning Permission Area' to include land that received planning permission for inert landfill, and amend the 'Preferred Site' boundary to include adjoining land to the west, east and south

OM5	1511, 1512	First Deposit	Holmacott, Instow	2507 1293	ND21	Include potential for a MRF and a waste to energy facility
OM6	2274, 2277	Re-Deposit	John Acres Lane, Kingsteignton	2854 0761		Identify land to the north and south of John Acres Lane for waste recycling use (e.g. scrapyards)
OM7	2151	Re-Deposit	Langage Industrial Estate, Plympton, Plymouth	2573 0559		Identify a site or a small area of search for the provision of a strategic waste management facility [no specific site boundary identified by objector]
OM8	1177	First Deposit	Lapthorne Cross, Dittisham	2856 0537	SH10	Include potential for a small waste to energy unit
OM9	2073	Re-Deposit	Marlands, Totnes	2807 0617	SH12	Include potential for a waste transfer station
OM10	2012-2014	Re-Deposit	Punchbowl, Crediton	2792 1008	MD14	Include potential for mixed waste composting
OM11	2074	Re-Deposit	Ruby Farm, Abbotskerswell	2851 0682	TE19	Include potential for energy recovery from the existing incinerator
OM12	1509, 1510	First Deposit	Trood Lane, Matford, Exeter	2929 0885	TE23	Include potential for a waste to energy plant
OM13	1655, 1715, 2042	Both	Whitecleaves Quarry, Buckfastleigh	2736 0656		Identify as a new site with potential for inert landfill and recycling [no specific site boundary identified by objector]
OM14	1653	First Deposit	Wilminstone Quarry, Tavistock	2489 0755		Identify as a new site with potential for inert/biodegradable landfill
