

# Officer Decisions

## Head of Planning, Transportation and Environment - Dave Black

Summary of Matter or Issue Requiring Decision	Highway Authority response to planning application ND/57503/2014, land at Raleigh park, Barnstaple.
Decision Taken	Approved
Summary of Reason(s) for Decision Taken	
Summary of Alternatives or Options considered and rejected	The only alternative to accepting the highway drainage system proposed would be to seek a redesign, or recommend refusal. SWW and the EA have both accepted the design. There is therefore no evidence base on which to seek to reject the proposed drainage strategy. The alternative to accepting the right turn junction is either the developer agreeing to provide signals, which he is not prepared to do, or to recommend refusal. The consequences of that approach are set out above.
Details of any conflict of interest and dispensation granted to the Officer taking the decision or by any Member of the Council in delegating responsibility for any specific express delegation	None
