

Officer Decisions

Chief Officer for Highways, Infrastructure Development and Waste - Meg Booth

Summary of Matter or Issue Requiring Decision

Decision to award the Authority's Contract for the development of a waste acceptance facility and managing residual waste from North Devon and Torridge areas.

Decision Taken

To award a contract to the below organisation for the provision of the above service.
SUEZ Recycling and Recovery UK Limited
SUEZ House, Grenfell Road, Maidenhead, Berkshire, SL6 1ES
The service will commence on 11th February 2019, for an initial period that will end on 31.03.2029, with an option to extend the contract for a maximum of five further years.

Summary of Reason(s) for Decision Taken

Summary of Alternatives or Options considered and rejected

A previous procurement exercise for this service provision was undertaken in 2014 when the Authority did not have a waste transfer facility in North Devon to offer to tenderers. Bids that were received were unaffordable and there was a clear need to package the contract such that it appealed to a wider market. Consequently a successor procurement exercise has been undertaken in 2017. As part of this procurement exercise the Authority offered tenderers a site at Brynsworthy in North Devon, to be developed as a waste transfer facility and which will revert back to the Authority as a permanent asset. Viridor, the Authority's existing service provider, terminated their waste disposal contract earlier this year with a new waste service provider needing to be in place by 11th February 2019

Details of any conflict of interest and dispensation granted to the Officer taking the decision or by any Member of the Council in delegating responsibility for any specific express delegation

None
