Summary of Reason(s) for Decision Taken

Summary of Alternatives or Options considered and rejected

There is currently a lot of pressure upon homelessness services, in part due to the impact of Covid-19 and national measures to ensure the homeless population remains safe, but Devon also has high levels of homelessness and rough sleepers nationally, particularly in Exeter and North Devon. The option of ceasing our contribution, or devolving it without proper implementation and mobilisations timescales is likely to put homeless people at greater risk.

Details of any conflict of interest and dispensation granted to the Officer taking the decision or by any Member of the Council in delegating responsibility for any specific express delegation
