Summary of Reason(s) for Decision Taken

Summary of Alternatives or Options considered and rejected

An alternative that was considered was to award from CP1787-19 Business Support Framework 2020 – Lot 3. It was determined that a direct award from the framework was not feasible, and as such a mini-competition would be required so as to seek an innovative approach to this project. For the reasons already given above in '3. Summary of Reasons for Decision Taken', it was decided that the business support framework was not a viable option on this occasion

Details of any conflict of interest and dispensation granted to the Officer taking the decision or by any Member of the Council in delegating responsibility for any specific express delegation
