

Officer Decisions

Director of Climate Change, Environment and Transport - Meg Booth

Summary of Matter or Issue Requiring Decision

Minor changes to the design of the A382 MRN highway improvement scheme: Greycoat Lane Earthworks.

Decision Taken

To adopt the altered highway design to accommodate the updated highway earthworks at the A382/Forches Cross junction to accommodate the proposed highway levels at Forches Cross.

Summary of Reason(s) for Decision Taken

Summary of Alternatives or Options considered and rejected

Previous considerations of the A382 MRN scheme (Cabinet October 2021) did not make provision for the required embankments. This option could be pursued but would require the construction of retaining walls.

Details of any conflict of interest and dispensation granted to the Officer taking the decision or by any Member of the Council in delegating responsibility for any specific express delegation

None.

When Cabinet approved on 13 October 2021 the progression of the A382 scheme, the cabinet agreed to delegate minor design changes to effectively Meg Booth in consultation with the Cabinet and Local Member. A copy of Cllr Davis and Cllr Gribble's approval can be provided upon request.
