Eligibility Groups

Within the 261 places for new Year 7 children, we recognise four Eligibility Groups and we make sure that the following numbers of places are available in each group at the first offer of places on 1 March 2021. This is to ensure that children from each group are able to access the school. After the first offers are made, we will still prioritise children according to whether they would have been eligible under the groups but without reference to a particular number of places.

All applicants who wish to be considered for Foundation, Other Christian Church or Other faith places must complete the Supplementary Information Form (SIF) to provide evidence. This must be returned to the Governing Body by 31 October. Applications without a SIF will be considered without reference to priority on faith grounds. Applicants who are unable to attend a place of worship for their faith should indicate this on the SIF so that the reasons can be verified. This may be the case where there are no services within a reasonable distance from home or the faith does not require attendance at services on a monthly or more regular basis.

If you feel you are unable to meet these requirements for exceptional reasons, please let us know. This may be the case if, for example, it is not possible to attend services of worship for another faith.

Applicants that are ineligible under within the three faith groups will be considered for an Open place.

- If Foundation or Other Christian Church places are undersubscribed, the balance will be available for Other Faith places first and then, if there are still places available, to Open places.
- If Other Faith places are undersubscribed, the balance will be available for Foundation, then for Other Christian Church places and then, if there are still places available, to Open places.

The four **Eligibility Groups** are detailed below. If there are more applicants seeking a place in each Eligibility Group, they will be prioritised by operating the oversubscription criteria detailed below.
